MONTHLY BELTLINE 101 SESSIONS

Do you or does someone you know want to better understand the BeltLine project that will connect Atlanta with new trails, transit and parks and shape economic development for decades to come?

The BeltLine Partnership is offering monthly BeltLine 101 sessions to help residents learn the basics about the BeltLine. BeltLine 101 sessions are being offered each month at five locations around Atlanta. The content at each session is the same, so you can attend any of the five sessions. Please contact Sharron Sylvain at 404-446-4407 or sharron@beltlinepartnership.org if you have questions.
